

# The Local Authority Search Report

Severn Trent Searches offers a choice of two Local Authority Search reports. The official search, available either direct from Local Authorities or a third party supplier, or a personal search from Onesearch Direct.

Whether your client opts for an official Local Authority search or OneSearch Direct, their report will be divided into two standard sections:

The Local Land Charges (LLC1) section of Local Authority searches informs the user of any restrictions, prohibitions or financial charges on the land or property, such as planning decisions, compulsory purchase orders or tree preservation orders.

The Con29 or independent council search (OneSearch Direct) addresses enquiries relating to planning, roads and transport and other matters affecting the property. In both cases, Part I of this section provides your client with the following information:

## Direct Ordering

Severn Trent Searches have established relationships with a number of Local Authorities, and are able to order official searches directly. This method is quicker than obtaining a search via other channels, and there is no administration fee involved, meaning the prices are highly competitive. A full list of Local Authorities participating in this scheme is available on our website.

Both searches include:

### **1. Planning and building decisions**

Including: planning permissions; listed building consents; conservation area consents; certificates of lawfulness of use or development; certificates of lawfulness of proposed use or development; certificates of lawfulness of proposed works for listed buildings; heritage partnership agreements; listed building consent orders; local listed building consent orders; building regulation approvals; building regulation completion certificates; building regulations certificate or notice issued in respect of work carried out under a competent person self-certification scheme. and certificates of compliance of a replacement window, rooflight, roof window or glazed door. Also planning designations and proposals.

### **2. Roads**

Determining which of the roads, footways and footpaths mentioned in boxes B and C of the Standard Enquiries form are: maintained at public expense or subject to a legal agreement for adoption. Also includes public rights of way.

### **3. Other matters**

Including: land required for public purposes; land to be acquired for road works; nearby road schemes; nearby railway schemes; nearby traffic schemes; outstanding notices; contravention of building regulations; notices, orders, directions and proceedings under Planning Acts; Community infrastructure levy; conservation areas; compulsory purchase; contaminated land; radon gas; assets of community value.

Both searches can also provide answers to CON290 enquiries, available at an extra charge (charges vary by authority).

## OneSearch Direct\*

Available at a flat rate, and with exceptionally fast turnaround times, the Local Authority search from OneSearch Direct is a cost-effective option that's ideal when you're looking for a speedy, accurate response.

Data is collated directly from each of the country's Local Authorities, and added to an ever-growing archive of property data, meaning OneSearch Direct can provide the report for any residential address in the UK. To guarantee total accuracy, all information is checked several times before reports are released, and all search findings are covered by a comprehensive Information Accuracy Warranty, with full professional indemnity cover of up to £10 million.

As well as the standard LLC1 report, your client will receive an independent council search, providing vital information on building and planning, development plans, roads and other issues such as drainage agreements, traffic schemes, conservation areas and contaminated land.

Reports follow a standard format and are available on paper or electronically.
